## C.E. SERVICES

Smoler Smiles C.E. Services recognizes the need for continuing education and lifelong learning in the field of dentistry. To succeed in the field of dentistry all dental professionals must be committed to furthering their knowledge, skills, and abilities by way of continuing education courses. As a practicing General Dentist, Dr.

Smoler is committed to helping his colleagues learn material which is easy to assimilate, implement and apply. All too often, there is a disconnect between research based material and the every day value to the General Dentist. Our focus is to help raise the level of proficiency for General Dentists with less frustration, cost and anxiety.

## BRUCE SMOLER DDS, FAGD, FICOI

Dr. Bruce Smoler is a graduate of Northwestern University Dental School. While in school, he was selected to participate in one of the first externship programs in the country on Implant Dentistry. Graduating with a strong surgical skill set allowed Dr. Smoler to mentor with some of the most knowledgeable and

esteemed leaders in the field of Implant Dentistry. Dr. Smoler often gives back to help mentor other dentists. He formed the Smoler Smiles Hands On Mentorship program to help the novice Implantologist gain more proficiency with Dental Implants.

The Smoler Smiles Institute of Implant Dentistry is the culmination of years of effort to help as many dentists learn more about Implant Dentistry as well as to help as many patients live a more productive, healthy life enjoying the simplest pleasures of everyday living with Dental Implants.

## SMOLER SMILES HANDS ON MENTORSHIP

The Smoler Smiles Hands On Mentorship Program will provide you with a unique experience teaching you how to perform advanced dental implant procedures alongside myself, Dr. Bruce Smoler. This Hands On Mentorship is aimed at the novice Implantologist who wishes to increase their surgical proficiency with Hands On training.
